

York University champions new ways of thinking that drive teaching and research excellence. Through cross-disciplinary programming, innovative course design, diverse experiential learning and a supportive community environment, our students receive the education they need to create big ideas that make an impact on the world. Located in Toronto, York is the third largest university in Canada, with a strong community of 53,000 students, 7,000 faculty and administrative staff, and more than 300,000 alumni.

Consistently ranked in the top tier of the world's best business schools and #1 in Canada, the Schulich School of Business is known for its global reach, innovative programming and the diversity of its student body, faculty and staff. Schulich enrolls some 3,000 students in undergraduate, graduate and postgraduate business degree programs leading to careers in the private, public and not-for-profit sectors. Located in Toronto, Canada, the School's multimillion-dollar, award-winning complex is on York University's main campus. Schulich's downtown Miles S. Nadal Management Centre is situated in the heart of the city's financial district.
